Garden Planning Calendar

Use the following Letters to plan when you will plant your vegetables and when you will harvest them! Remember, school is out in the summer (shaded area) so try to harvest as many things as possible when you are still in school, either in the spring or in the fall. Use the garden planning cards to determine how many weeks each vegetable takes to be ready.

April	2 nd week	3 rd week	4 th week	May	2 nd week	3 rd week	*4 th week*	June	2 nd week	3 rd week	4 th week	July	2 nd week	3 rd week	4 th week	August	2 nd week	3 rd week	4 th week	September	2 nd week	*3 rd week*	4 th week	October	2 nd week
																									1

O = Outdoor planting, I = Start seeds indoors, H= Harvest, * = Approximate times of last and first frost
