

Valentine's Crafts

Nature-Themed Cards

Description:

Nature themed arts and crafts have a very warm, earthy feel and add lots of creativity to any designs. It's a great excuse to go for a walk and personalize your cards.

Materials:

- Twigs
- Cardstock
- Hot Glue or tape
- Scissors
- Decorative embellishments or markers

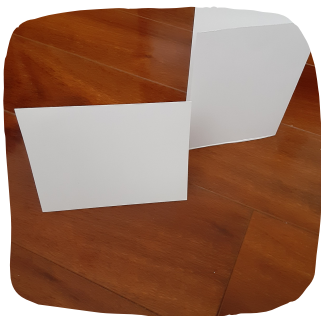

Instructions:

Step 1: Gather your materials and ensure that everything is clean and you have a sturdy surface nearby an electrical outlet

Step 2: Take your twigs and cut them into smaller sticks to create a design.

TIP - Use thin bendable twigs from bushes

Step 3:
Cut or fold your paper into a card shape.

Step 4: Feel free to create any design you like, Once you have an idea, use a hot glue gun to hold it in place or tape!
