

# Floral Greeting Cards

## Arts & Crafts Activity Instructions

**With spring in full bloom, you may be wondering how to add some florals to your arts and crafts! Homemade cards for special occasions is a great way to add a touch of love. It's easy as one-two-three!**

Materials:

- Coloured pens, pencils or markers
- Circular object
- Plain paper or printing paper

Step 1: Fold your paper in half to make a card shape. On the front side, trace a circular object with pencils

Step 2: Pencil in leaves, roses, twigs and flowers around the circular frame

Step 3: Colour in your rough draft using pencils, pens or markers. Don't forget to erase the pencil in the background after. You are now ready to add in the note!
