About

Pothos, also known as ceylon creeper or devil's ivy, is a great plant for beginners. It is very easy to grow and stays green even when kept in the dark!

Pothos vines can be happy growing down from a hanging planter, or can grow up to 2 meters tall with some support like a trellis or a wall.

Care

Sunlight: medium/indirect

Water: water when the soil feels dry to the touch

Pets

This plant can be toxic to cats and dogs if they eat it, so make sure to keep it out of reach!
